MOONLIGHT WALK

Trees, myths and legends

A walk by the light of the moon, far from our intense modern world, surrounded by silent forests, punctuated only by the sounds of the inhabitants of the night. A walking tour among the trees, accompanied by stories about nature where science gives way to sensations and evocative images. Dinner before or after the walk at a selected restaurant.

WHERE through the woods surrounding the hills of Farra di Soligo (TV)

WHEN all year round, in the evenings when there is a full moon
