

LOVING VENETO

PHOTOGRAPHY WORKSHOP 2 NIGHTS

*Three days surrounded by nature and the history
of the Prosecco hills*

Meet and greet with the photographer. **Photographic session at sunset on the Prosecco hills.** Return and dinner. Evening briefing to prepare for the following day. Departure for photographic session **in the hills at dawn.** Return for breakfast. Break and preparation for a hike in the mountains or destination to be arranged. Picnic.

The afternoon is dedicated to photographs of flowers (macro) and landscape photography. Dinner and overnight in a hillside cabin, shepherd's hut or rustic farm building. Sunrise with a panoramic view. Return for breakfast. Break and viewing of the material produced over the previous two days. Lunch. **In the afternoon there will be a tour of sites of historical and artistic interest.**

The excursions will have a maximum of 7 to 9 participants in order to ensure we can move easily and give everyone the opportunity to receive personal tuition. All routes are checked for suitability to ensure they include a range of subjects relating to flora, fauna and local history. The person accompanying you is an expert in the local area and always has a number of alternatives available should there be logistical or weather problems.
